

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

PREFACE

This is the twenty-second volume of the series of Cambridge Blue Books.

We are pleased to note the continued patronage of and interest in our book, as evidenced by the orders received.

The book is issued somewhat later this year owing to a rush of business with the printer.

Our thanks are extended to all who have aided us in collecting names and matter for publication.

Hoping our book will be found useful as a home reference guide to Cambridge, and expecting to issue it again next year, we remain,

Respectfully,

EDWARD A. JONES.

January 10, 1907.

NEW FIRE ALARM SYSTEM

City Electrician O'Hearn has com-
pleted his plans for rearranging the fire
alarm boxes and the new system will
go into effect as soon as Chief Bunker
arranges the running schedule for the
different pieces of apparatus, which will
probably be about August 1.

The new numbers of the boxes and
their location are as follows:

THIS IS ONE OF THE BOSTON EDITION OF THE

Perry Pictures

(ONE CENT SIZE.)

THIS EDITION is on rough paper, $5\frac{1}{2} \times 8$ inches, and in the beautiful sepia tone that resembles that of high cost photographs. Most of the Perry Pictures are in black and white and on smooth paper, but we now publish a large number of subjects in this Boston Edition, and others will be added. (This name is given to them simply to distinguish them from the Regular Edition in black and white.) We send the Boston Edition in all subjects we are supplying in that edition without extra charge, and the rest in the Regular Edition.

PRICE : The price of the Perry Pictures is
ONE CENT EACH

for 25 or more, postpaid. Assorted as desired.

120 FOR \$1.00

THE FOLLOWING SIZES ARE ALSO INCLUDED IN OUR CATALOGUE

Half-Cent Size. $3 \times 3\frac{1}{2}$ inches. One-half cent each for 50 or more. Assorted as desired.

THE E. & R. LAUNDRY

209-223 MASS. AVE., CAMBRIDGE, MASS.

Starched Goods Only. Collars and Cuffs a Specialty

Particular Attention Given to Ladies' Fine Wear

The E. & R. Laundry occupies a new building devoted entirely to its work, and equipped with every modern device. All of the necessary mechanical operations being done by electricity, it is the most perfectly appointed laundry in existence. The hygienic conditions are all that the most extreme care can make them.

The E. & R. Laundry has been established for many years, and to-day it stands at the head. In addition to the demands of man, it has always made a special effort in catering to the laundering needs of the "well-groomed" woman. It has a special department where shirtwaists, white skirts and the dainty lingerie of woman are carefully washed and ironed entirely by hand.

SAFE DEPOSIT VAULTS

Nothing superior has ever been constructed. Boxes which hold sixty to eighty bonds of ordinary size for five (\$5.00) dollars a year. In no vaults of equal security, either in Boston or nearby cities, are boxes rented at so low a price.

Ample space for the storage of silver and other valuables; charges are very moderate.

A large number of attractive coupon rooms are provided for the use of our customers.

Ladies will find a commodious room for their use, fitted with every convenience for rest, or the transaction of business.
